**Miami Valley
Women's Center
Annual Report for 2015-2016**

A Note from the Executive Director

Dear Partner in Ministry,

What a blessing to serve in this ministry for over 6 years! I have the incredible privilege to work with Board members and Staff who desire to see physical life saved and spiritual life forever changed. Together, we thank you for your partnership that made it possible to complete our 34th year of serving clients in the Miami Valley! How wonderful to see the look of love on a woman's face when her baby, once considered a "mistake" or a "problem", has been introduced to her for the very first time through ultrasound! The gift of hope we share with these women comes from the truth found in Jeremiah 29:11: "For I know the plans I have for you, declares the Lord, plans to prosper you, and not to harm you; plans to give you a hope and a future."

Over the past 34 years we have welcomed 66,000 clients, and we have verified that at least 12,000 babies' lives have been saved! God has done a great work due to your faithful support!

"Over the past 34 years we have welcomed 66,000 clients, and we have verified that at least 12,000 babies' lives have been saved! God has done a great work due to your faithful support!"

In the next year, we plan to open a fourth center near the Trotwood community. We are determined to minister to the abortion-minded woman! In order to open an additional site, we need community partners who will connect with us in big ways - prayerfully, financially, and paid staff and volunteers.

If you are already supporting this ministry - thank you! We hope that you are encouraged as you see a snapshot of the great work God has done in the past year. If you are new to Miami Valley Women's Center and looking for a place to serve where God is already at work in a great way, consider partnering with us. Together, we can see lives transformed as we carry out our mission and serve women, men, and their families with life-affirming information and pregnancy-related care.

May God receive ALL the glory!

Serving Him,

Tiffany Seifman, *Executive Director*

MARITAL STATUS

The Miami Valley Women's Center (MVWC) offered many options in terms of adoption assistance, assisting with paperwork, and finding a local OB/GYN. I knew the Lord was leading me to raise this precious life. I found it an honor to be chosen for motherhood. I clung tight to Psalm 139:13-16 as a redemptive prayer over my future child, and had peace of mind that the Lord held the plans and a purpose much greater than the one I could dream up, for this wee one. God blessed me with a boy.

I'd recommend the MVWC for anyone looking to be valued and comforted through the fears that a pregnancy can bring, reminding them that God does, and will, bring restoration to their life; and He'll provide the wisdom needed to raise a baby, if they ask Him. Thanks to each of you who raise awareness and finances needed to make these services available to assist me and others, past and future.

Because of you, myself and others have been able to choose life!
