

## Miami Valley Women's Center Volunteer and Liaison Newsletter

We value you, our volunteers and liaisons, for your ongoing faithful service. Please share this information with your Pastor and congregation through bulletins, announcements and other venues.

February 2018

Dear Volunteers!

Renewal 2018 theme verse II Corinthians 9:8: *And God is able to make all grace abound to you, so that always having all sufficiency in everything, you may have an abundance for every good deed* reminded us of God's abundant grace that He provides through His Spirit to encourage us to keep at the work that we are called to at the MVWC. Pastor Hooker encouraged us to be devoted to prayer and to spend time with the Lord as these are both crucial to having His wisdom and confidence in our work. The more time we spend with Jesus the more we will be able to share about Him with others. Pastor McGuire encouraged us through Christ's example of giving to abound in our faith, to have our words seasoned with grace, and share the knowledge and love of the Lord with others. The Lord will give us the ability to be persistent and to stand up for life and for God. We don't need to be afraid because the Lord is the one who will provide the strength we need. The believers mission is to proclaim Christ's provisions and share the promise that someday He is coming again!
